Weekly Tennis Games

Each week, there are organised Mens', Ladies' and Mixed games

Our weekly games are a great way to meet members and to enjoy a good standard of tennis. We start with a Ladies' session at 11.30am on Tuesday mornings, organised by Linda Gunn. On Wednesdays at 10am, Graham Nurser organises the Gentlemen's session. On Thursdays we have a double helping of Ladies, the first organised by Jennie Sprague at 9.30am, followed by an 11.30am session organised by Sara Lovick. On Friday mornings at 10am, we have a Mixed session organised by John Sprague.

If you would like to join any of these games, please speak directly to the relevant administrator or contact the Membership Secretary (John Sprague) who would be happy to point you in the right direction: hideaway908@btinternet.com.

SUMMER BBQ

Join us for Club Tennis and a BBQ on Tuesday 12th June from 6pm
Bring drink and something to sling on the grill. Oh! And your racquet...

Tennis Photos

Got a photo of you on court? Please share it with us! We want to create a photo record of members playing at our club.

Committee News

Val Lovatt has decided to step down from the Committee after 23 years. We are so grateful for the energy and effort she has given our club over the years. We are sad to see her go, but look forward to seeing her on court.

Stuart Ward joins us on the committee. He's crafty both off and on court and a welcome addition to the team.

GDPR

In line with new legislation, we have an updated Privacy Policy available on our website. Details of how we use your data can be found there.

New Positions Available

We are looking for a Welfare Officer and a Gardener to help at the club.

As our club is an LTA registered venue, we have to adhere to new policies as set by the governing body. As of October 2018, all LTA registered venues must have a Welfare Officer to safeguard vulnerable children and adults.

This is a voluntary role, that should only require a few days commitment per year. If this is something that interests you, please contact one of the committee or email the Membership Secretary on hideaway908@btinternet.com.

**“If you have a garden and a library,
you have everything you need. –
Marcus Tullius Cicero”**

The club is looking for a green fingered person to help manage the club grounds. It is a small job, no more than three hours a week in the summer months and possibly less in the winter. We would provide the necessary tools and allow access to the grounds at a convenient time to suit.

If you are someone who enjoys a little graft in the garden, please get in touch.

Land Sale Benefits Club

Land deal with Cadmus development nets the club £75,000

A land deal with our neighbours at Cadmus will hopefully bring in £150,000 for the club. As per the deal, an initial payment of £75,000 has been paid, with the remainder based on sale of the property.

The committee is considering various options for investment of this windfall. Ideas include spending money on improving the clubhouse facilities, creating safe path access and most significantly floodlights. We have a number of proposals to explore, but if you have something you think the committee should consider, please contact us.

WhatsApp

We have set up a WhatsApp group for regular players to help arrange games. This can be used to express your availability or to arrange matches. If you would like to join the group, please contact Fenella Goldsworthy at fenellagoldsworthy@gmail.com

Westgarth

The club still has a dispute with the Westgarth development. Access to the property has impacted on the club's access and parking rights. This situation is ongoing, and we will keep you updated accordingly.
